HD-M11dn DIGITAL MONOCHROME PRINTER

WE VALUE YOUR MAIL

HD-M11dn

DIGITAL MONOCHROME PRINTER

Designed for any work environment, the high productivity HD-M11dn packs big features into a compact profile. Delivering up to 40 ppm, with the first page printing in less than five seconds, the HD-M11dn produces clear and crisp black and white output at up to 1200 x 1200 dpi resolution. The printer is designed with a separate toner and image drum configuration, for long lasting performance and a low cost of operation. Duplex (2-sided) printing is standard, delivering savings on energy and media costs.

The HD-M11dn has a standard paper capacity of 350 sheets and can be outfitted with an optional 530 sheet second paper tray. In terms of durability and reliability, the HD-M11dn had a monthly duty cycle rated at up to 80,000 pages. It offers USB, Ethernet and parallel interfaces and is compatible with a wide range of operating systems. Available with internal print server connectivity to make network printing more affordable - which translates into a much lower cost per user, a vital consideration as your office network grows and expands functionality.

SPECIFICATIONS

PERFORMANCE

Print Speed: Up to 40 ppm
1st Page Out: As fast as 5 seconds
Resolution: 1200 x 1200 dpi
Processor: 330 MHz
